

# How can I become more involved in audiology as an *undergraduate*?

## Join the national SAA as an Undergraduate Associate

*SAA offers undergraduates the following benefits:*

- Guide to Applying to an Audiology Graduate Program.
- Résumé Review Service.
- Undergraduate Associate Awards.
- Student Community online forum.
- *SAAy Anything* quarterly e-newsletter, *Audiology Today* member magazine, *Journal of the American Academy of Audiology* online.
- Complimentary registration for annual AudiologyNOW! Conferences.
- Eligibility to volunteer on national SAA committees.

Visit our website for additional resources and membership application!
