

# (Chapter) Student Academy of Audiology (Previous Month) Recap

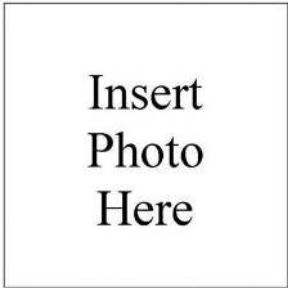

Date 01, 2017

## How to get the most out of your Recap Newsletter!

Here is a great place to talk about an event that your chapter participated in last month that was a highlight for members. Examples could be a talk or convention that members attended, a hearing screening or health fair, a big fundraiser, or really anything that your chapter was proud of last month. Adding hyperlinks to more information on the event is a great way to keep things brief here while allowing readers to find more information if they wish. To add a hyperlink, select the text you would like to link, right click and select "hyperlink" and then past the URL into the blank. This way with just one click readers can learn more.

Adding photos is also a great way to make your newsletter more visually appealing! If it's a picture of chapter members at the event or just some clip art, it will help break up the text a bit!

Below are some sample headlines and articles that have been used in the past. Ask for chapter input on what to include and get the whole chapter involved by asking chapter members to volunteer in writing these short blurbs.

### President

Name

Email

### Vice-President

Name

### Secretary/Treasurer

Name

### Additional Board Member

Name

### Additional Board Member

### Faculty Advisor

Dr. Name

## (Upcoming Month) Events:

02/24-03/05: SAA

[Humanitarian Week](#)

03/02: Hearing Conservation  
Booth @ Student Ctr.

03/07: Chapter Mtg (11:45 AM)

03/09: Exec Mtg (5:30 PM)

03/10: AuD Open House Q&A  
Session

03/11-03/19: Spring Break!

03/21: SAA OakCrest Outreach

03/23: Exec Mtg (5:30 PM)

## Outreach resumes for the spring!

Each month (University) SAA sends 1-2 members to volunteer at XX Retirement Center with clinical professor, Dr.. Members assist in performing cerumen management and clean and checks of resident's hearing aids. Almost more valuable, however, is the chance to chat and connect with members from a different generation. Thanks to Name and Name for being our February volunteers!

## Save the date!

More information is still to come, but please jot down these important dates for the Department of Audiology and the Student Academy of Audiology. We look forward to seeing you there!

Audiology Day, celebrating the class of 20XX

Thursday May XX, 20XX / Location Ballroom, Student Center
