SAA Pillar: Advocacy Education Fundraising Humanitarian Social Other

Activity Name:

Activity Purpose:

At the beginning of each school year, SAA members can reach out to their community and provide education about hearing health by holding a hearing screening event for new and returning students. For this event, we suggest setting up an informational table in a busy student location (the gym, student center, etc) and giving out information on hearing health as well as having a sign up for hearing screenings.

Activity Description:

Dates:

How Far In Advance Did You Prepare:

Recommended # of Participants:

Activity Location:

Important Contacts or Resources:

Check in with your clinic supervisor for permission to use booth space for hearing screenings, if you want to hold screening in the university clinic. Screenings could also be done in other university spaces (e.g. classroom, student center, anywhere quiet) if your SAA has access to a portable audiometer.

Tips:

The most difficult part of this event is making sure you have the clearance from all necessary supervisors in your clinic. Make sure to speak with necessary parties beforehand!

This page is optional, and should be used to keep track of all costs associated with the activity. However, if the activity does not have any associated costs, then this page is unnecessary.

Estimated Cost Breakdown

Use this chart as an easy way to breakdown the total cost of the items needed for the activity.

Item	Purpose	Cost
Example: Poster Boards	To advertise the event around campus	\$5.00 - \$10.00
		Total:

For more information please contact the [SAA Chapter Relations Committee Chair](#).
