Activity Name:

Activity Purpose:

Place jars with professors' names in a location that is easily accessible and visible to the most students and staff. Over the course of a few weeks, ask students and staff to place money in jars with the intent that the person with the most money and the person with the least money in their jars will receive a pie in the face. Money raised can either go toward the chapter or charity of your choice.

Tips:

Send out a tally of the current standings (every 3 days, at the end of the week, etc.) to encourage members to place money in jars. As a reminder the person with the least amount of money also receives a pie in the face, so placing money in that person's jar so someone else falls to the bottom makes the situation interesting and can influence individuals to donate.
