### Activity Purpose:

SAA can either partake in a Polar Plunge to support a specific cause (e.g. Special Olympics holds events in Illinois, Wisconsin, Iowa, Minnesota and many other states) or design their own Polar Plunge fund-raiser.

### Activity Description:

For this event, the SAA team members agree to plunge into a cold body of water in the winter to show their dedication to Special Olympics. Individuals in SAA reach out to their community for donations to support their cause. It can be a super fun, team building activity that the SAA group as a whole takes part in.

### Important Contacts or Resources:

The local Special Olympics organizations are important contacts as they handle the fundraising aspect. If you are organizing your own plunge, make sure to get approval from any necessary administrative contacts associated with SAA. Websites for plunge events in various states:  
Illinois, Wisconsin, Iowa, Minnesota, Tennessee, North Carolina

### Tips:

This event can be a really fun way to come together as a chapter, raise money to support a good cause, and take part in something a little crazy to let loose from all the studying! We always hold a breakfast as a chapter to get together and bond before the plunge.
