Activity Name:

Activity Purpose:

To collect school supplies to donate to a local school for the children to use. These supplies can be donated to a certain classroom or to the entire school, or a hearing impaired school.

Activity Description:

The school supplies drive is a wonderful way for your chapter to give back to the children in your local community. By collecting a variety of school supplies, we are aiding in the growth of local children's education. To carry-out this initiative, create a flyer to post around campus and pass out to members and faculty. Have donation boxes set up in various areas around campus to collect the supplies in. Set a time-frame for members to have donations turned in by. After the drive has ended, donate the supplies to a local school or classroom.

Dates: How Far In Advance Did You Prepare:

Recommended # of Participants: Activity Location:

Important Contacts or Resources:

Local schools to donate the collected supplies to.

Tips:

Reach out to local stores and ask for donations; we were fortunate enough to have a store give a generous donation for our drive. If possible, deliver the items to the school during the beginning of the school year. Take advantage of the back to school sales to get the most supplies for your money!
